

WHAT DO WE DO?

RPC, the Research & Policy Committee, is a vital NTUSU division dedicated to enhancing campus life across six pillars: Transportation, Healthcare, Sustainability, Housing, Academics, and Empowerment. As committed analysts, RPC gathers student feedback to create actionable policies and initiatives like U-Walk and U-Feedback. Collaborating with the Vice President (Policy), RPC presents solutions addressing student concerns to university offices, ensuring an improved campus experience.

FREQUENTLY ASKED ONS

What skills and qualities are you looking out for?

We are looking out for people with the heart to drive change. The Policy Relations Officers and Research Officers work hand in hand with the Policy Executives to advocate for students in their respective fields.

Do you need to be proficient in R/Excel to join RPC?

While technical analytical skills would be preferred, they are not compulsory! As long as you are willing to learn, our committee members will guide and equip you with the necessary skills to perform your roles proficiently.

Do I need to have prerequisite knowledge of University Policies?

No. There will be equipping sessions to keep you updated with the latest University Policies.

Is life in RPC repetitive?

RPC is a dynamic and fast-moving committee that works to solve various problems and issues on campus. You will be exposed to a wide-range of problems and will apply analytical and proble-solving skills to improve the university experience for all students.
