FREQUENTLY ASKED QNS

Can I join UOC's events despite not being a participant in Union Orientation?

Yes, you may! Keep a lookout on our Instagram page (@ntuuoc) for any upcoming events that you join us in throughout the year.

If I participated in Union Orientation, am I automatically part of the organising committee?

Nope, joining UOC as a participant does not mean that you are automatically part of the organising committee or NTUSU! If you'd like to be part of UOC's organising committee, we have a separate recruitment period some time after NTUSU's Recruitment Drive!
