NTUSU WELFARE INITIATIVES COMMITTEE

WHAT DO WE DO?

As students, we know that life is stressful. The Welfare Initiatives Committee (WIC) serves the student body by providing them with moral support through our welfare initiatives, such as our U-Study events. WIC also hopes to raise awareness for students to take care of their own wellbeing.

FREQUENTLY ASKED QNS

Do I need any experience to join WIC?

No prior experience is needed! All you need is the interest and passion to serve, and the drive to work towards WIC's common objective.

Are WIC's events limited to giveaways only?

Nope! Even though our past events have been mainly giveaways, we also try to include some form of engagement wherever possible, to make our events more meaningful. If you have any potential ideas, come on board and join our Events team where you can share brainstorm ideas with the team!
